

## **HUMAN GROWTH AND DEVELOPMENT**

Human growth and development instruction shall be made available to students in the district in accordance with State and DPI guidelines.

The School Board may choose to provide an instructional program in human growth and development in grades K-12. If the School Board chooses to provide human growth and development instructional programming, it shall be administered in accordance with state and DPI guidelines. The School Board directs the Superintendent to create and administer the programming. The provisions of ss. 119.019 do not supplant ss. 118.01 (2)(d).
