

1:1 CHROMEBOOK INSURANCE FORM

The Frederic School District strongly encourages all students in grades KG-12 to purchase Chromebook insurance that will cover any accidental damage or theft of a student issued device.

Students that do not purchase chromebook insurance will be held financially responsible for any damages or theft during the 2024-2025 school year.

INSURANCE INFORMATION:

Under this agreement, the Chromebooks are only protected against accidental damage or theft. The Frederic School District requires a police report to be submitted by parents in any instance of theft.
