Frederic Elementary	(715) 327-4221
Frederic 6-12	(715) 327-4223

Dear Frederic Families:

The Frederic School District and Siren Bus Company are working together to provide safe and efficient transportation for our students.

In an effort to be ready for the upcoming school year, we need your help with the following:

1. If your student(s) will need bus transportation for the upcoming school year, please notify the school by **August 3rd**, even if your student rode the bus last year. This information is required annually and allows Siren Bus Company enough time to develop safe and efficient bus routes before the start of school.

Families may choose **one of the following options** to request transportation:

- **Call Kelly Skow** at the Frederic Elementary School office at 715-327-4221 by **August 3rd**.
- Complete the **Transportation Google Form** by **August 3rd**. [Transportation Google Form](#)

2. Your bus driver will be calling you with pick up/drop off times by August 28th, 2026. Any time a student is dropped or added to the route, the route times can vary and we want to be sure to get you the most accurate times. For that reason, adjustments may be made after August 28th. These changes will be communicated by the bus drivers.

3. On August 26th, a representative from Siren Bus Company will be available at the Elementary School during the Open House from 5-7pm. Please feel free to stop by to meet their staff and ask questions.

4. Once school starts, if you need to make a change to your child's end of the day plan, please call the Elementary or the 6-12 office. For Elementary students, you can also update PickUp Patrol for end of day changes before 2:00 pm. If you need to make a more permanent change to your child's pick-up or drop off site, please call Kelly Skow at the Frederic Elementary School office.

If an immediate issue should arise during a route, such as your child didn't get off the bus at the proper stop, the first call should be directly to Siren Bus Company so they can immediately communicate with the driver. Siren Bus Company wants to work with families through concerns, so contacting them is always the best first step. However, please don't hesitate to contact the schools as well, so we can coordinate communications and efforts so that students have a quality transportation experience.

Sincerely,
Kelly Skow
Elementary Administrative Assistant, Transportation Coordinator
